Subject: Intent to join PasuyoBuddy as an independent delivery rider

Dear PasuyoBuddy Management,

I, the undersigned, of legal age, respectfully express my intent to join PasuyoBuddy as an **independent delivery rider (partner)**. My details are as follows:

Full name: _____

Home address: _____

Date of birth: _____ Mobile number: _____

Email used in the app: _____ Driver's license no.: _____

Vehicle: ☐ Motorcycle ☐ Car ☐ Van ☐ Truck

Make / model / color: _____ Plate number: _____

Preferred area / region of service: _____

In applying, I declare and agree that:

1. All information and documents I submitted (driver's license, OR/CR, NBI clearance, photos) are **true, correct and my own**. I understand that false or fake documents will cause my application to be rejected or my account to be closed.
2. I hold a valid driver's license for my vehicle, and the vehicle is roadworthy and properly registered. I will keep them valid while I am active.
3. I join as an **independent partner, not an employee** of PasuyoBuddy. I choose when to go online and which jobs to accept, and I am responsible for my own fuel, vehicle, phone, taxes and government contributions.
4. I understand that PasuyoBuddy is connected to a delivery **only from the moment I accept a PasuyoBuddy booking until it is completed or cancelled**. While I am offline, online without a PasuyoBuddy job, after a job is completed, or doing work for another company or app or for myself, I am not on a PasuyoBuddy job, and PasuyoBuddy is not responsible for what happens then. I agree that the app records the time of each job step and my route during PasuyoBuddy jobs, and that these may be used to check any accident, complaint or claim. While I have an active PasuyoBuddy job, I will not carry parcels, passengers or jobs for another company or app, or run personal errands, and once I pick up a parcel I will deliver it directly within the time shown in the app. Anything that happens during a side trip, an unreasonable delay or another company's job is my own responsibility. I will not let anyone else use my PasuyoBuddy account or do deliveries for me, and I will not add another person's fingerprint or face to the phone I use for PasuyoBuddy. If someone else uses my account, I accept permanent deactivation and I remain responsible for everything done with it.
5. I have read and agree to the **PasuyoBuddy Terms & Conditions and Privacy Policy**, including the commission, the non-refundable top-up load, the abono rules, and the suspension rules for giving up accepted bookings.
6. I will handle every parcel and all cash (fares, COD and Pabili money) honestly and with care, deliver to the right person, and give the correct change.
7. I will obey traffic laws, wear proper safety gear, and treat customers, receivers and the public with respect. I will not carry prohibited, illegal or dangerous items.
8. I allow PasuyoBuddy to process my personal information and to share my location while I am online or on a job, as described in the Privacy Policy (Data Privacy Act of 2012).
9. I understand that PasuyoBuddy may suspend or deactivate my account for violations, fraud, repeated complaints or unsafe behavior.

Thank you for considering my application. I look forward to working with PasuyoBuddy.

Respectfully yours,

_____ _____
